EXPERIENCE

Tampa Bay Arts and Education Network | Tampa, FL — Media Arts Producer

MAY 2021 - MARCH 2023

- Edited and created graphics for programs and featured series to premiere on network and advertising.
- Wrote and edited scripts for PSAs, short educational videos, talk show introductions, and graphical descriptive elements.
- Set up and operated camera, lights, and sound capture devices during on-location and in-studio filming for longform series, talk shows, internal-use materials, live events, documentaries, interviews, and social media content.
- Converted, transferred, and prepared files for airing on cable channel and web streaming.
- Managed archive of web streaming catalog and TV broadcast series, both original and obtained.
- Consistently met with fellow staff, talent, interns, and guests to formulate strategies for production.
- Directed and trained interns in video editing and equipment operation.
- Co-ordinated and directed teams of interns for on-location shoots.
- Live-switched studio multicam productions, monitored stream of web-streamed episodes and events.
- Provided closed-captioning for various series and standalone videos.
- Provided technical writing support for grants and internal documentation.

Golden Gate Film Festival | San Jose, CA — Screener

JULY 2021 - OCTOBER 2021

- Analyzed and reviewed film submissions to help determine their place in the festival.
- Considered and nominated submissions for various awards.
- Participated in remote training.

Best Student Screenplay:
Cleveland State University

Tampa Bay Arts and Education Network | Remote — Intern

MAY 2020 - AUGUST 2020

- Created promotional videos for in-network programming.
- Digitally promoted network-run film fest.
- Worked remotely and coordinated with fellow interns.
- Participated in remote training.

Cleveland International Film Festival | Cleveland, OH — Screener

SEPTEMBER 2018 - FEBRUARY 2019

- Screened and wrote coverage for Film Submissions for the 1029 Cleveland International Film Festival.
- Provided feedback that contributed to determination of submissions' place in the festival.

EDUCATION

Cleveland State University | Cleveland, OH — Bachelor's of Fine Arts in Film and Media Arts

AUGUST 2016 - MAY 2021

Cleveland State University's newly renovated and freshly funded film program was an excellent proving ground for honing my skill in every aspect of production. It was there I learned how to operate industry standard equipment, served on a vast multitude of sets in a variety of roles, and cut my teeth on learning Adobe Creative Suite and other programs.

Dunedin High School | Dunedin, FL — High School Diploma

AUGUST 2012 - MAY 2016

Here, I earned my certification in Adobe Photoshop.
